TO CANCEL A PAID REGISTRATION: The deadline to cancel your paid registration is **March 28, 2020**. No refunds or credits will be issued after that date. If you signed up through *Altair*, you are subject to the Altair Deadline of **March 14th, 2020**.

WAITING LIST: To be fair to those who registered by the deadline... If you missed the deadline and are interested in being in the classes, contact Laura to find out if there is room. Please do not just "show up" at the classes without contacting us first. Please note fees above for registrations received after Deadline.

MISSED CLASSES: Most students will miss one or two classes in the series. We do not refund money or give credits for missed classes and we cannot accept partial tuition due to expenses we need to meet. If you feel you are falling behind, scheduling an individual/private lesson is a great way to catch up and work on your personal goals as well. Contact Laura to schedule a time for your lesson.

SPLIT CLASS FORMAT: If it is appropriate, we will split the classes into two levels, so newer dancers don't get overwhelmed and more experienced dancers can progress. Laura would teach one level and Robert the other level. This may not happen with every class or class series. We will offer practice time during each class.

CLASS LOCATION: Class location may change based on class size or other unforeseen circumstances.

LEAD/FOLLOW RATIO: We cannot guarantee that the lead/follow ratio will be even for every class. We will attempt to keep the lead/follow ratio as even as possible for those who register without a partner. You will rotate partners frequently during the classes so everyone gets to dance with a variety of partners. We must have pre-paid registration as a firm commitment so that we can attempt to balance the lead/follow ratio by the registration deadline. It is best to register as early as possible if you are a single lead or follow.
